COMMUNITY INFO PACKET

COMMUNITY HIGHLIGHTS

Juniper Acres is a new home development centrally positioned between the Wasatch and Oquirrh Mountains in the heart of West Valley City. Within the community, many homesites are located in cul-de-sacs with no through traffic. Homesites are wide and range up to a quarter acre, which means most lots will accommodate a 3-car garage or RV pad, perfect for families in need of space. The kids will love the massive sledding hill just east of the community, and you'll love the safety and security of the family-friendly location. In Juniper Acres, you definitely get more home for your money!
