

CONTROL YOUR HOME FROM YOUR PHONE

# Smart Home Technology

Learn about Google Nest Hub, included with every Candlelight home.

[Learn More](#)

Learn about Candlelight's Smart Home features that are built into every single-family home.

## 1 LEARNING THERMOSTAT

**Honeywell**

[Learn More](#)

**Saving energy never goes out of style.**

The **Honeywell T6 Pro Smart Thermostat** automatically adapts to your life and the changing seasons. Simply use it for a week and it programs itself. Not only is this super convenient, but it will also help save on utility bills!

## 2 VIDEO DOORBELL

[Learn More](#)

**Never miss a visitor.**

With the **Google Nest video doorbell**, you can see who's at your front door right from your phone. You'll have peace of mind knowing that your kids are home safely from school or that your expected package was delivered on time.

## 3 TOUCH-TO-OPEN SMART LOCK

**Kwikset**

[Learn More](#)

**Protect what matters most.**

Fumbling with your keys is a thing of the past. With **SmartKey Security and Home Connect technology from Kwikset**, remotely lock and unlock your doors and schedule, send, and delete eKeys right in the palm of your hand.

## 4 GARAGE DOOR OPENER

**GENIE ALADDIN CONNECT**

[Learn More](#)

**Never look back.**

Open or close your garage door from anywhere or set a schedule right from your phone with your Google Home app. It works with our **Genie WiFi-enabled garage door** through Aladdin Connect®. Monitoring and activity alerts ensure that every time you drive away, you can be confident your home is secure.
